WORK QUALIFICATION CERTIFICATE
For Mr Nejb Kasm

To whom it may concern,

This is to certify that Dr. **Nejb Kasm** was employed in my research group at Laboratory of Polymer Chemistry and Technology, Department of Chemistry, Aristotle University of Thessaloniki, Greece from April 1st, 2018 to October 31th, 2018 as postdoctoral researcher in polymer chemistry for a period of seven (7) months with 40 working hours per week.

During this tenure, he has joined the project intituled “Furan-based polyesters” as a principal member conducting research activities focused on the synthesis and characterization of new biobased polyesters. He has successfully completed this project under my direct guidance and supervision.

I found he was fully committed to his job, hard-working, trustworthy and can easily work in a team. I wish him all success in his future career.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read 'Dimitrios Bikiaris', written over a horizontal line.
